

ASSEMBLY HARDWARE

A. Pole kit and carry bag

ASSEMBLY

1. Locate the poles that have matching sticker symbols.
2. Connect the matching snap-and-click poles until you hear an audible “click” sound.
3. Grab the banner and slide the pole sleeve down the assembled pole.
4. Once the banners are attached to the poles, connect the banners together with hook-and-loop adhesive.
5. Stand the assembled banner upright. Your breakaway banner is ready for use.
