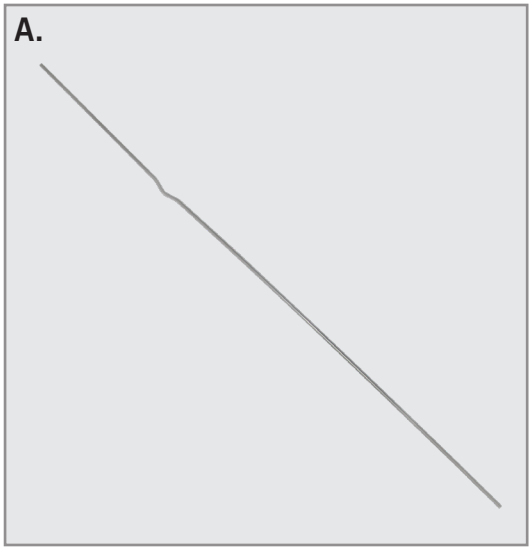
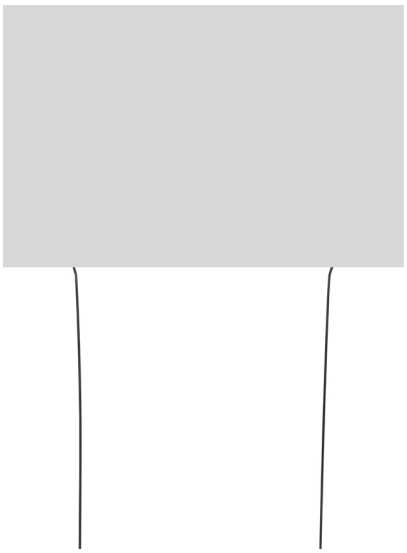
YARD SIGN ASSEMBLY

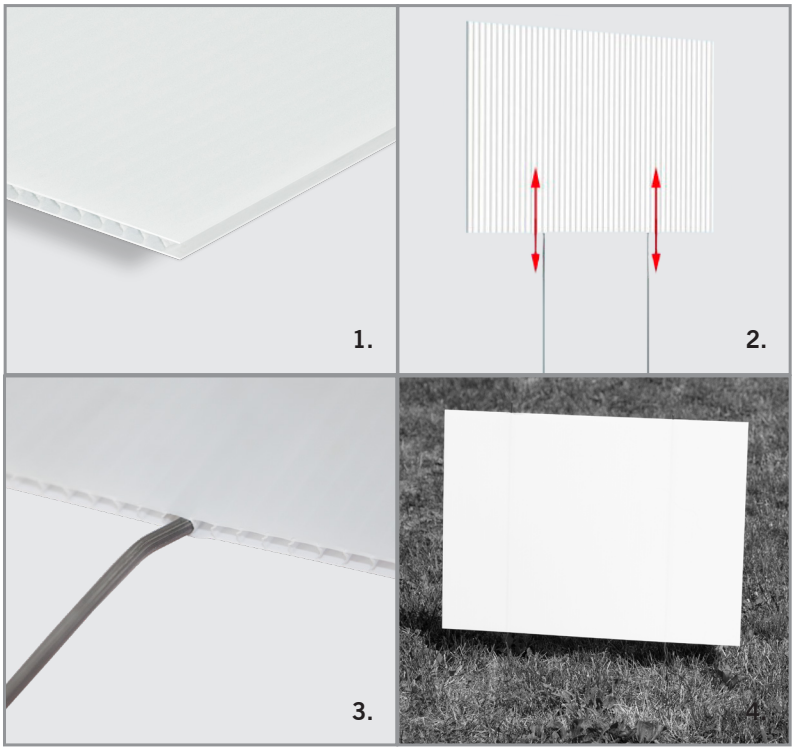
ASSEMBLY HARDWARE



A. Straight Stake



STRAIGHT STAKE ASSEMBLY



1. Note the flutes on the yard sign. They run top to bottom.

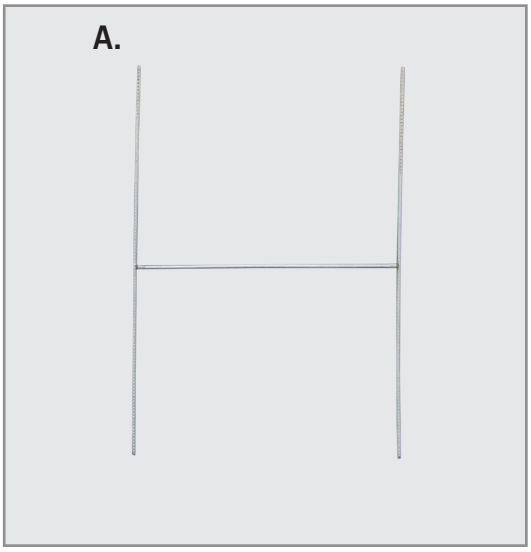
2. Insert the stake into the flutes on the sign.

3. Push the stake into the sign until the notches on the stake are just touching the sign.

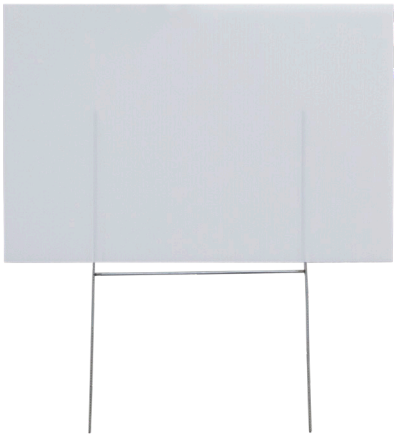
4. Insert the stakes into the ground. Your yard sign is now set up.

YARD SIGN ASSEMBLY

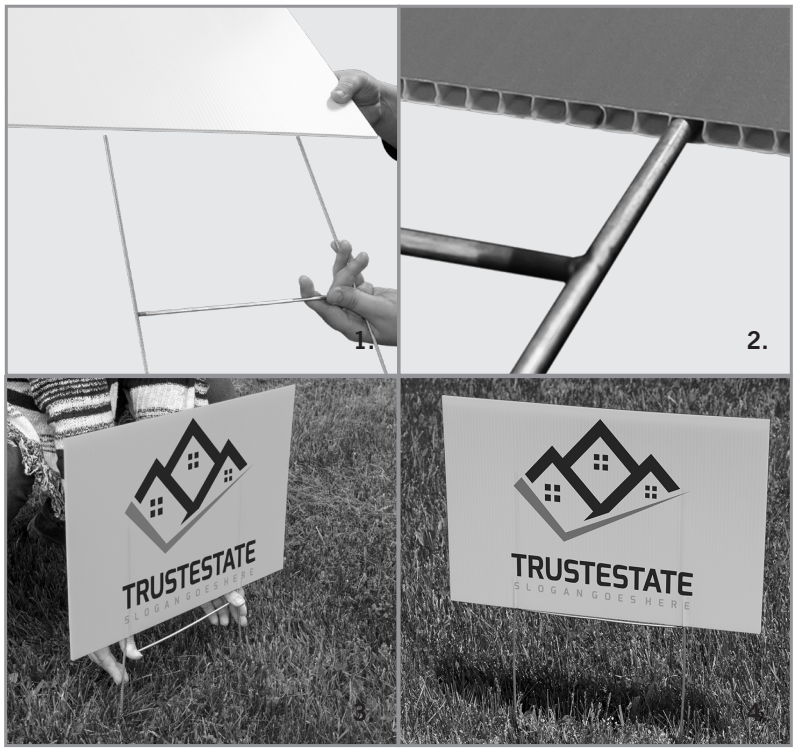
ASSEMBLY HARDWARE



A. H-Stake



H-STAKE ASSEMBLY



1. Note the flutes in the yard sign. They run top to bottom.
2. Insert the H-stake into the flutes of the sign.
3. Using your hands, push the stake into the ground.
4. Your yard sign is now set up.
