

# TABLE FLAG WITH STAND

Assembly Instructions | R2.090624

## ASSEMBLY HARDWARE

## ASSEMBLY

- 1-2. Twist the screw bottom of the telescopic table stand pole (B) into the hole of the table stand base (C).
3. Hook the top of the flag (A) cord to the top hook of the telescopic table stand pole (B).
4. Take the bottom of the flag rope and hook it to the bottom screw on the pole.
- 5-6. Expand pole until the flag is tight.
